Dear Parents and Friends of Stafford Manor,

### Final Week! Attendance at school matters!

It is really important that all students continue to attend Stafford Manor High School. There are still a lot of key aspects of learning for students to cover before we break up and we will also be having a range of exciting rewards taking place over the next few weeks.

### Attendance Matters!

Attendance still remains a top priority and I would again urge all parents to ensure that their children attend school every day for the next 4.5 school days. If we had every student attend school every single day for the week, we would finish the year on a real positive note and ensure we are able to stretch, challenge and support all students across the school. Please send your child into school. They will learn more and make more progress and get more out of school, the more time that they are here.

### Attendance Raffle!

We will be running a raffle for all students in school on a Monday and a Friday. For the chance to win a £10 voucher on Monday and Friday, your child will need to be in school. So please ensure they are and don't miss out.

### Manor Fest! Friday 19th July

We will be holding a different and exciting final day of term this term, which will involve a whole host of really enjoyable and different experiences for your child. There will be music, different activities and some amazing surprises in store for all students, along with celebration events and a 'festival atmosphere!'

**Students will be allowed to wear PE kit for their final day.** So please do send your child into school on the last day as if they are not here, they will definitely be missing out on an unforgettable and unmissable final day. Our final day will also finish at 12.30 p.m.

### September 2024—Arrangements for our first day back.

We are already preparing for September 2024! Students who will be joining us in Year 7 will start on Wednesday 4 September at 8.45 a.m. All other year groups will return at 11.00 a.m.

Best wishes, as always

## SEL—Year 7

During SEL this week, the Year 7s have been learning how to provide basic first aid to someone who is bleeding and may be experiencing shock. This includes skills such as reassuring the casualty, applying bandages, positioning the casualty on the floor if they are feeling light headed or experiencing shock and finally how to call for help.

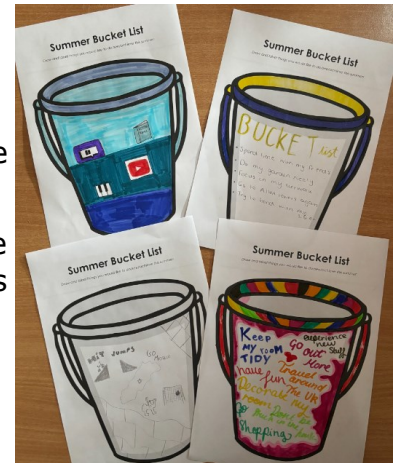

## SEL

During SEL this week and next week, the Year 8 students will be thinking about their Summer holidays and things they would like to do, see and / or achieve. The pictures below are from their 'Summer Bucket List'
